

**THE TRUTH ABOUT DRUGS - Part 1 Find information Part 2 Statements**

Use the drug prevention information found on the school web site to help you complete both parts of this drug awareness assignment. Website: <http://hhjftlc.hemetusd.org/> Click on PDF link under the heading: Initial Assignment: Drug awareness

Part 1. Find information on the following drugs from the booklet online. For each one, list three facts, two street names, one short term effect and one long term effect. Responses should be in complete sentences

- o Marijuana
- o Alcohol
- o Ecstasy
- o Cocaine & Crack Cocaine
- o Crystal Meth & Methamphetamine
- o Inhalants
- o Heroin
- o LSD
- o Prescription Drug Abuse

2. These statements below are lies about drugs. For each statement, write at least two facts about drugs that contradict it. (Contradict: to not agree with [something] in a way that shows or suggests that it is false, wrong, etc.). Responses should be complete sentences.

“Marijuana is actually better for you than tobacco. “

“Prescription drugs can’t hurt you.”

“Alcohol isn’t really a drug.”

“Drugs make you feel better.”

**Follow this format to complete each one:**

**Statement:**

---

**Contradiction:**
